Date: R4 Summer Championship 2nd May 2010

The fourth round of the CJSC Summer Championship was held on 11th April 2010 at the massively improved Finningley.

First out were the Autos and it was a great battle between Reece Martin and William Cole for the top Honours with William pushing Reece all the way to a maximum with William three seconds. Club regular George Mallion rode solid for two thirds and a fifth to take third overall. A quick mention for Makaulee Malin, nephew of Paul Malin and the famous Malin Clan in his first race for the club taking a third in the last race of the day.

The Juniors 65 class again closely fought with the top three going head to head. Ryan Vickers roe strong for the second maximum of the day with Tom Hume and Jake Edey sharing the second and third places to finish second and third overall respectively.

William Keogh took the first race of the day but it was Jack Seabourne who took the overall with two seconds and a last race win. Behind Jack were two riders who are improving week in week out with Declan Whittle taking the second overall from Tyler Holland in third.

The Big Wheels proved strong again with Jack Gardiner taking a third and two wins for first overall from Lewis Holland and Robert Hales tying on the same points for second overall with Tyler taking it on the last race second from Tyler Roberts third despite his first race win.

Shaun Southgate nearly posted the third maximum of the day but it was Cory Nemeth that took the first race win and second overall with Shaun upping his game to take races two and three. Newcomer to the Schoolboys Matthew Wild took an excellent third overall with a third fifth and excellent second in the last.

Once again the club ran the two adult classes together on the day with a full gate and in the Adult Clubman class it was all down to race three as visitor Timothy Warnes took two wins and a second for the overall with Kenneth Fuller taking two seconds and a win. Another visitor Sverrir Olgislon took third overall with two thirds and a fifth.

In the Adult Elite class it was Connor Wakley on his two-stroke Kawasaki that gave a great display of fast riding taking all three races. In Connors wake, Jarad Godwin and Matthew White gave a great display of close fought riding for second and third respectfully.

The club would like to thank Merv, all those that attended Finningley it was a great meeting, great weather with a fantastically prepared track and massively improved facilities. Again the club remind everyone if there is anyone who is interested in getting paid for helping the club in anyway then please contact the club for further details.
